

Hi i'm José Rocha i am a **full stack designer**. Everything that is related to design makes part of me. I like to enjoy the design of every thing, specially if i like it. I am very observant, I like to know new places and landscapes. I have skills on **web, graphic, interactive, digital, packaging design**. I enjoy working with people, especially if they have the same passion that i have for what they do. I am a strong man who fights for the objetives. I wish to succed in design world. I am a **Young Jury at AWWWARDS** and i have **7 web design awards with Jopecuro**. *jopecuro is my artistic name
